

The Chilliwack Beekeeping Community presents...

“Wisdom from Beekeepers” Seminar & Expo

Sunday, November 23, 1:00-4:00pm @ Yarrow Community Hall
(Southside Meeting Room, 4670 Community St., Yarrow, B.C.)

Join us to listen and learn from a panel of experts share their beekeeping wisdom, experience, and helpful tips. In the beekeeping world there is a saying that "if you ask 4 beekeepers the same question, you'll get 5 answers" so we're in for a treat!

We are thrilled to host **special guest speakers & Master Beekeepers:**

Scott Gordon, Natural Bee Apiaries, Maple Ridge, B.C.

Jerry Awram, Honeyview Farms, Chilliwack, B.C.

Lindsay Dault, Urban Bee Supplies, Delta B.C.

After the seminar, stay for a mix & mingle to connect with other beekeepers, sample local honey harvested this year, learn about community resources, browse items for sale, and enjoy refreshments provided.

***Table room** will be provided for registered guests to display business cards, pamphlets, books, helpful resources, and small items for sale (bees & beekeeping theme/products only).

*Beekeepers are invited to compete in a '**Honey Competition**' where all attendees will taste and vote for their favourite. 1st, 2nd, 3rd place winners will be announced and awarded.
